

PIN PRESIDENT

**Stuart Cullum
President Olds College
Canada**

On behalf of the PIN Executive and delegates I would like to thank Jerry Weber and the Bellevue College team for an outstanding week at the PIN Leadership Summit in September 2019.

The caliber of the speakers was outstanding and the visits to Microsoft and Amazon provided everyone with food for thought.

The 2019 PIN Leadership Summit Highlights were:

- Microsoft Headquarters Reception
- Amazon Tour
- Keynote Speaker by VP of Worldwide Education at Microsoft
- Boeing Factory Tour
- Guest Speaker Donald Brinkman, Senior Program Manager for Bing Esports at Microsoft, presented on the Gamification of Learning
- Leith Sharp, Director and Lead Faculty, Executive Education for Sustainability Leadership-Harvard T.H. Chan School of Public Health, presented on Insights Gleaned from CEOs of International Corporations.

PIN LEADERSHIP SUMMIT Bellevue College 2019

A special thank you from the companions and delegate has to go to Jessica, Kelly and all the members of the Bellevue PIN Leadership Summit organising team.

PIN LEADERSHIP SUMMIT Bellevue College 2019 at MicroSoft

Bellevue Colleges' relationship with MicroSoft provided an amazing opportunity for PIN delegates from different countries to experience technology that have applications in education.

Thank you Bellevue

PIN LEADERSHIP SUMMIT Bellevue College 2019

Delegates were able to have first hand experience with virtual reality and simulated learning environments.

PIN LEADERSHIP SUMMIT Bellevue College 2019

Bellevue's International Students hosted a BBQ for PIN delegates and their companions in the magnificent grounds of Bellevue College.

PIN LEADERSHIP SUMMIT Bellevue College 2019 AMAZON Seattle

Amazon's spectacular glass spheres

Amazon provides innovative pet friendly workspaces for their staff.

The Pooch Parking area provides short term parking of staff's dogs if they have need for pet free time.

PIN LEADERSHIP SUMMIT

Seattle

A visit to Seattle must include the iconic Space Needle.

Included in the must see in Seattle, is the Chihuly Glass Gallery. With both internal and external installations it is spectacular.
